BRIEF ABSTRACT OF LETTER.

Requests Sanction to the grant of a permanent advance of Rs 350/- to the Victoria Hospital.

NOTES AND ORDERS.

The permanent advance now allowed to the Victoria Hospital is Rs 150/- (P. O. No: 10131-32/ mis + 25·97 dt 9·2·01) In this G.O. it is stated it is too soon to guess of the actual requirements of the

Serial No.

Hospital but as a tentative measure the permanent advance (Rs 100) is raised to Rs 150"

The medical officer in charge of the Victoria Hospital states that Rs 150 is not sufficient for the requirements of the Hospital at present and explains how the increased amount will be utilized. (No: 3505 dt 5-11-06) Submitted for orders.

15-11-06 The necessity for the increase must first be examined in Branch IV

The necessity for advancing money for purchasing provisions for the Nurses is not clear. The Nurses are said to get the ration allowance. If so why Govt. should make arrangements for purchasing provisions required by them? Even supposing that the same to be purchased, why is it not the system of supply on contract be adopted? To Branch IV for Enquiry stating the Sanctioned arrangements in the matter with a view to see if the issue of permanent advance is in accordance with such arrangements & is required by them.

The Medical Officer in charge,

The Senior Surgeon and Sanitary Commissioner
Mysore Government, Bangalore.

Sir,

I have the honour to request that sanction may be --- kindly obtained for increasing the permanent advance of this Hospital from Rs.150/- (sanctioned in Government Proceedings No.1131-2/M.F.(25-97) dated 9-2-1901) to Rs.350/-, as the amount of Rs.150/ is not sufficient for the requirements of this Hospital at present.

2. The permanent advance of this hospital has been till now solely utilised in the purchase of certain articles from the bazaar for which a fair tender was not received and for --- meeting other petty expenditure, the payment of which could not be delayed.

3. The increased amount now required is chiefly for advancing the Matron of this Hospital for purchasing provisions for the Nurses whose boarding is entrusted to the Matron who finds it difficult to manage the work without an advance, as the number of Nurses on the strength of the Hospital has been gradually -- increased to ten.

4. The amount spent on this account will be recouped --- every month from the Ration allowance of Nurses which is drawn with their pay, but which ought to be drawn in advance.

I have etc,

The Medical Officer in charge

Victoria Hospital Bangalore.

Owing to want of funds I am unable to continue the --- present arrangement, of boarding the Nurses in advance of paymen

2. I therefore request you would be so kind, as to allow the former arrangement, to be recommenced. from the 1st --- November 1906.

The contractor advanced the money, required, for ---- groceries, and ~~the~~ daily expenditure, and he was paid back, ever month. The amount he lent, the balance of the ration. Money -- was sent to me to pay the Baker, Milk, and other expenses.

With Col.Smyth's consent we adopted this method, owin to the small staff of Nurses and the small amount of money ---- received, we were not able to keep a decent table at the rates charged by the contrator, besides, we were always being put to inconvenience owing to our indents, being delayed for days together, as the ~~contractor~~ contractor does not stock the articles which are sometimes required for the Nurses' Table.
